UP-DATE YOUR EMAIL ADDRESS

To those of you who have email, it is time to ask yourself this question: Have I changed providers or purchased a new computer? If the answer is "Yes" then ask yourself this question: Have I advised the secretary of the Bald Eagles of my new email? If the answer to that is "No" then you are probably not reading this newsletter. So if you know a Bald Eagle who has a new computer please tell him to send in his email address to Dave Driscoll (707-446-2671). His email is davedriscoll@msn.com.

By the way, Leo Cebula maintains our website and does a great job of it. If you have not visited there lately I'd suggest you take the time. He is always good to post scores and announcements as well as programs for upcoming events. Thanks Leo.
